

## "CHANGED"

I came up out of the water  
Raise my hands up to the father  
Gave it all to him that day  
Felt a new wind kiss my face  
Walked away, eyes wide open  
Could finally see where I was going  
Didn't matter where I'd been I'm not the  
same man I was then

I got off track, I made mistakes  
Back slid my way into that place where  
souls get lost  
Lines get crossed  
And the pain won't go away  
I hit my knees, now here I stand  
There I was, now here I am  
Here I am, changed

I got a lot of "hey I'm sorry"s  
The things I've done man that was not me  
I wish I could take it all back  
I just want to tell 'em that  
Tell 'em that

I got off track, I made mistakes  
Back slid my way into that place where souls  
get lost  
Lines get crossed  
And the pain won't go away  
I hit my knees, now here I stand  
There I was, now here I am  
Here I am,  
I've changed for the better  
More smiles, that's better  
I even started to forgive myself  
Yes I am

## "TURN YOUR EYES UPON JESUS"

Turn your eyes upon Jesus  
Look full in His wonderful face  
And the things of earth will grow strangely  
dim  
In the light of His glory and grace

Oh soul are you weary and troubled?  
No light in the darkness you see?  
There's light for a look at the Savior  
And life more abundant and free

Through death into life everlasting  
He passed and we follow Him there  
O'er us sin no more hath dominion  
For more than conquerors we are

Oh, turn your eyes upon Jesus  
Look full in His wonderful face  
And the things of earth will grow strangely  
dim  
In the light of His glory and grace

His word shall not fail you, He promised  
Believe Him and all will be well  
Then go to a world that is dying  
His perfect salvation to tell

Oh, turn your eyes upon Jesus  
Look full in His wonderful face  
Oh, and the things of earth will grow  
strangely dim  
In the light of His glory and grace

## "CREED"

I believe in God the Father,  
Almighty Maker of heaven and Maker of earth,  
And in Jesus Christ  
His only begotten son our Lord  
He was conceived by the Holy Spirt,  
born of the virgin Mary  
Suffered under Pontius Pilot  
where he was crucified dead and buried

And I believe what I believe in  
is what makes me what I am  
And I did not make it,  
no it is making me  
It is the very truth of God  
and not the invention of any man

I believe that He who suffered  
was crucified, buried and dead  
He descended into hell  
and on the third day He rose again  
He ascended into heaven  
where He sits at God's mighty right hand  
I believe that He's returning to judge  
the quick and the dead of the sons of men

I believe it

I believe in God the Father,  
Almighty Maker of Heaven and Maker of earth  
And in Jesus Christ His  
only begotten Son our Lord  
I believe int the Holy Spirit,  
one Holy Church  
The communion of saints,  
the forgiveness of sin  
I believe in the resurrection  
I believe in a life that never ends

## "START A FIRE"

This world can be cold and bitter  
Feels like we're in the dead of winter  
Waiting on something better  
But am I really gonna hide forever?

Over and over again  
I hear Your voice in my head  
Let Your light shine, let Your light shine  
for all to see

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me

You only need a spark to start a whole  
blaze  
It only takes a little faith  
Let it start right here in this city  
So these old walls will never be the  
same

Over and over again  
I hear Your voice in my head  
They need to know  
I need to go  
Spirit won't You fall on my heart now

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me

You are the fire You are the flame  
You are the light on the darkest day  
We have the hope we bear Your name  
We carry the news that You have come to save  
Only You can save

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me
